To Whom it may concern

My name is Garnell August Carter and I am writing in regards of the legally obtained items that were seized at the time of my arrest. The property seized belonged to my grandmother and also my child's mother. Ms Maryland Laur Dixon had multiple firearms confiscated in which they were legally owned, from the residence located on 1904 Prior Dr. Ms Briana Boykin also had a fire arm seized. It was said that the firearms were being used as evidence and would be held until after I was sentence in July of 2020. Other items taken were my state I.D, and state Driver license. Ms Dixon nor Ms Boykin gave authorization to confiscate the alleged firearms. I am asking for all of the items to be returned as promised. It states in my discovery that all items could be returned, I would gladly appreciate it if my family is allowed to pick up their property, and or turned over to my attorney Mr. William Bill Marsh.

Thank You  
Respectfully Yours Mr. Garnell Carter
